It is our pleasure to announce the program for the 47th RMS. We are fortunate to have a superb lineup of speakers again this year, featuring friends who have been part of the RMS over the years and also speakers new to the RMS. We are continuing with the policies that have been in place for a while now: those with accepted abstracts will be given a $40 reduction in their registration fee. Temporary badges for the exhibits will continue to be free and non-registrant badges for the dealer floor will cost $5.

**Thursday April 23, 2020**
